ACA-RS-100

LHD Cable Accessory - Silicone Sleeve - Pack of 100

Silicon Sleeve

The ACA-RS series silicone sleeves are designed to protect linear heat sensor cable against mechanical damage from the tie wrap used when the cable is secured. The ACA-RS is a split sleeve used to protect the sensor cable from being crushed or damaged when attached to fixing clips or brackets. It acts as an insulator to prevent the transfer of heat through these metal clips or brackets to the LHD cable, and is fire resistant.

Details

- Protection of linear heat cable against mechanical damage
- For use with any LHD fastening brackets or clips
- Fire resistant
- Available in quantities of 100
